Part IV Supplemental Information. Complete this part to provide the information required in Part I, line 2, Part III, column (b), and any other additional information.

Part I, Line 2 - ADRN has 110 churches on their network that adopted over 656 families since 2010. The goal of sponsoring families through a network of churches is that every family's emotional, spiritual, and physical needs will be identified and met. Every church that adopts a family assigns one person (Disaster Relief Shepherd) to the family to become their case worker to walk with them throughout the entire relief process until their immediate and sometimes long-term needs are met. Typically, a church will pour in not only emotional and spiritual support but financial support to meet the physical needs quickly. Whatever financial support a church cannot provide an individual/family that has been sponsored a church can request additional funds from ADRN to support small to very large physical needs such as a car, trailer, mobile home, rebuilding materials or the rebuilding of a home. ADRN has found out that partnering with the local churches on the network will typically match, double or triple the amount of funds given to help a family in need vs. giving directly to a family in need. ADRN will provide gift cards directly to a family or individual in need if a great and immediate need arises such as food, water, clothing, shelter, etc. As a result of ADRN's partnership with local churches, there is a higher amount of accountability and assurance that funds are used appropriately and in accordance with their given intent. ADRN stays in communication with these churches to ensure that funds are used appropriately.

Part III, Column b - These numbers do not factor in the total number of recipients who received intangible emotional and spiritual benefits.
