"Total Purchases vs Market Value" is provided to assist you in comparing your "Total Purchases," excluding reinvested distributions, with the current value of the mutual fund positions in your account.

"Cumulative Cash Distributions" when shown, may reflect distributions on shares no longer held in the account. It may not reflect all distributions received in cash; due to but not limited to the following: investments made prior to addition of this information on statements, securities transfers, timing of recent distributions, and certain adjustments made in your account.

"Net Value Increase/ (Decrease)" reflects the difference between your total purchases, plus the cash distributions shown, and the current value of the fund's shares. This calculation is for informational purposes only and does not reflect your total unrealized gain or loss nor should it be used for tax purposes
