Description of Intended Use of Endowment Funds	Part V, Line 4	The intended use of the endowment funds is for charitable grant making to non-profit organizations in the greater Portland, ME area.
Description of Uncertain Tax Positions Under FIN 48	Part X, Line 2	In certain circumstances, tax-exempt organizations may be required to record an obligation for income taxes as the result of a tax position they have historically taken on various tax exposure items including unrelated business income or tax status. Under guidance issued by the Financial Accounting Standards Board, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position. Estimated interest and penalties, if applicable, related to uncertain tax positions are included as a component of income tax expense. Management has evaluated the Foundation's tax positions and concluded that the Foundation has maintained its tax-exempt status, does not have any significant unrelated business income and has taken no uncertain tax positions that require adjustment to the consolidated financial statements. With few exceptions, the Foundation is no longer subject to income tax examinations by the U.S. Federal or State tax authorities for years before 2009.
