Grassroots Grantmakers is a network of place-based funders in the United States and Canada supporting active citizenship to build social, capital and civic capacity at the block level in their communities. The organization serves as a locus of learning about grassroots grantmaking and as an advocate for the practice of grassroots grant making as an essential component of effective place based philanthropy.

**Form 990, Part III, Line 4d - All Other Accomplishment**

A few examples are: (1) We do a bi-annual survey that we conduct via an on-line survey instrument to produce a state of the field summary of grassroots grantmaking practices. (2) We do interviews of people associated with funding organizations to learn more about their work, identify innovative practices, and challenges that they are experiencing. We share this information via program profiles and shorter "insight" articles that are shared via Grassroots Grantmakers website. (3) We do special project with specific target groups - for instance, Grantmakers in Aging. We are in a partnership with this entity to determine the role that grantmaking programs can play in improving "aging in place" opportunities for senior citizens, especially those who live in neighborhoods that have high rates of poverty or economic disinvestment.
