Supporting Kids Foundation provides financial support for families battling childhood cancer

Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. In a clear and concise manner, describe the services provided, the number of persons benefited, and other relevant information for each program title

28The organization gave over \$70,000 to 45 families in 2012. This all-volunteer organization receives most of its referrals from the Children's Mercy Hospital Network. We help families with children in the hospital to cover such things as rent and mortgage payments, utility bills, and gasoline. We raise funds to help families in need to cover day-to-day expenses so they can focus on their child's health, rather than their financial shortfalls.
