PRE-GRANT INQUIRY FOR "EXPENDITURE RESPONSIBILITY" GRANTS FOR
INTERNAL USE BY FRAMES FOR THE WORLD, INC.

This form is to be completed by an officer of Frames for the World, Inc. (the "Foundation") before it makes any grant to an organization with respect to which the Foundation must exercise "expenditure responsibility." The purpose of this form is to establish the fact that prior to the grant the Foundation conducted a limited advance investigation as a means of getting reasonable assurance that the grant will be used for the proper purposes.

1. Name of the proposed grantee:

2. When was the proposed grantee organization founded and how long has it been engaged in charitable activities:

3. Essential institutional character and function or purpose of the proposed grantee (e.g., educational institution, research institution, etc.):

4. Names and titles of chief personnel of the proposed grantee, including a brief statement as to how their background and experience contribute to the intended purpose of the grant, and how long affiliated with the grantee:

Form 990-PF (2012)

Frames For The World, Inc.

EID: 27-3390432

5. Summary of previous grants or other assistance (if any) made by the Foundation to the proposed grantee, including whether proper use of grants was made and whether required reports were filed with the Foundation:

NOTE: If the proposed grantee has properly used all prior grants, filed the required reports and there has been no major change in its character or personnel, no additional pre-grant inquiry may be necessary and questions 6 through 8 may be omitted.

6. Summary of grants awarded by other foundations to the proposed grantee including the amount of the grant, date awarded and the purpose of the grant (comment on whether the proposed grantee has had a history of compliance or non-compliance with the terms of these grants):

NOTE: Requesting, obtaining-and documenting details of a potential grantee's favorable experience regarding the award, receipt and use of prior grant funds or property will support and document the Foundation's "expenditure responsibility" process and efforts in relation to that grantee. If no such favorable experiences are identified in connection with a specific grantee, then the Foundation may have elevated suspicions regarding that grantee's ability or intentions to use the grant property properly. In the latter case, additional due diligence measures may be necessary.

7. Briefly describe the scope of your inquiry into the activities and practices of the proposed grantee and note any factors which you felt justified limiting the scope:

Form 990-PF (2012)
Frames For The World, Inc.
EID: 27-3390432

NOTE: The response to Item 7 should include a very brief overview of steps undertaken as part of the investigation designed to provide the Foundation with comfort that the grantee will use the grant property in accordance with the grant agreement. Such steps might include, among others, (i) interviews of the executives of the potential grantee regarding the terms of the grant and the allowable uses of the grant property, (ii) inquiries of the grantee's management regarding their experience with prior grants, for example, how many grants have been received, how grants of property have been segregated and accounted for, and whether any prior grants had to be returned to the grantor, etc. (and if so, why), and (iii) inquiries of local authorities or businesses regarding the reputation and history of the potential grantee.

8. Brief summary of knowledge of the Foundation, based on prior experience or other information readily available, concerning the prior history and experience of the proposed grantee and its chief personnel including grantee's activities and practices (or reference to specific documents in the Foundation's files covering these points):

9. State your conclusion regarding the reliability of the proposed grantee to use the grant property in accordance with the grant agreement and the primary factors that contributed to your conclusion:
