Identifier	Return Reference	Explanation
F99Z_P03_S00_L32	Form 990-EZ, Part III, Line 32	In 2012, nearly 50 volunteers, many of them medical professionals, devoted an estimated 6,500 total hours to our work and, in most cases, personally funded their trips to Haiti to support our efforts. The work done during over 1,500 of these volunteered hours required medical training, and thus may be considered donations of "medically skilled time." Given that our organization relies heavily on the service and expertise of our dedicated volunteers, many of whom provided us with services (including the development of educational materials, translation, web development, etc) that would otherwise have needed to be purchased, and because the value of donated services is not taken into account on Form 990, the figure on line 32 is far lower than it would be if the value of donated time and services were included. We therefore also include here the estimated total value of the donated time and unreimbursed expenses incurred by our volunteers in 2012, in order to provide a more accurate picture of the small percentage of our true "assets" that we devote to non-programmatic expenses: \$207,687. (This figure is a conservative estimate based on Independent Sector's 2011 estimated value of volunteer time of \$21.79 per hour for all volunteer hours not requiring specialized skills, the Bureau of Labor Statistics' 2011 mean hourly wage data for volunteer hours requiring specialized skills, and the out-of-pocket, unreimbursed travel costs incurred by volunteers traveling to Haiti on P4H business.)
