Name of the organization

North Texas SQL Server User Group

Employer identification number

27-4376430

Part I Line 16: The North Texas SQL Server User Group incurred \$15,047 in expenses, almost all of which was related to the 14 community education and networking events we hosted. We organized twelve monthly meeting, free to anyone, which provided education around various database topics. We also held two other events (one summer, one fall) with the same purpose, though these were larger (more attendees) and longer (a full day or more) than the monthly events.
