social interest represents the interest that would be received if the fixed income investment was sold prior to the coupon payment.

Estimated Annual Income ("EAI") and Estimated Yield ("EY") calculations are for informational purposes only. The actual income and yield might be lower or higher than the estimated amounts. EY is based upon EAI and the current price of the secunty and will fluctuate. For certain types of secunties, the calculations could include a return of principal or apired gains in which case EAI and EY will continue to display at a overstated. EY and EAI are not promptly updated to reflect when an issuer has missed a regular payment or announced changes to future payments, in which case EAI and EY will continue to display at a prior rate.
