Peace Nick is a nonprofit organization promoting world peace through education, poverty reduction, environmental protections and social justice. Our goal is to slow down and reverse the damaging effects of the previous decade of flawed and outdated domestic and foreign policies that the United States has employed. "Staying the course" is no longer an option as war and violence persist, the world economy crumbles, poverty increases, global warming and environmental degradation continues and social injustices rise. Peace Nick will focus on local, regional and worldwide issues that demand urgent action, solutions, and measurable results.
