Form 990-EZ Part III The work of the MFFM is primarily charitable and educational. MFFM

recognizes the multitude of socioeconomic and civic benefits that farmers' markets bring to a

community and strives to support viable markets in Maine as a primary access to healthy, local

food for all demographics and citizens of Maine. MFFM serves as a primary resource and state

lead for over a dozen partner organizations assisting farmers' markets with SNAP EBT and other

low income access programming. Its efforts are channeled through the markets and the farmers

who provide the foods but the end goals specifically target low income families access to

markets and the use of the SNAP program where food access equality is key to healthier

communities. The Federation maintains a statewide database of Maine markets, facilitating

residents' access to and knowledge of market resources, including EBT program availability,

and a website and social media feed featuring local food resources for consumers. The

Federation also offers a broad array of resources and support for market managers and vendors

to help strengthen Maine's farmers' market community.
