Capital-Gains Distributions: If you own shares of the Sanford C. Bernstein Fund, Inc., you may have received an annual capital-gains distribution (different from the capital gains or losses on securities sold, which are listed in this report). Long-term capital-gains distributions are a separate item on the I.R.S. forms, and appear on the Summary-of-Key-Items report

Zero-Cost Transactions: If you transferred securities to Bernstein for which the purchase price was unavailable, the total capital-gains figure that appears on this report needs to be adjusted. Any such transactions are segregated on the Capital-Gains report, with the cost entered as zero. You will need to update the report data with the correct purchase information.

CIL represents cash in lieu of fractional shares.
