Form 990, Part III, Line 1 - Organization Mission

Mission Statement

The Autism Cares Foundation was founded to offer life-enriching experiences for the autism spectrum community in a safe and welcoming environment. We provide children, teens and young adults with opportunities for life-skills development and social interaction through the various programs and activities that we offer.

Our funds are used to sponsor our many programs and activities as we do this at no charge to the participant or their family. Our belief is that cost should never be an obstacle to participation in any of our programs or events. Our programs extend to include the entire family network, so siblings and other family members can jointly participate in our activities.

Our vision is to develop a comprehensive Autism Resources Center, which will allow us to schedule more frequent activities. The Center will also be a place where families can find local resources to fit their specific needs. We envision this Center as a place that people on the autism spectrum can eventually call home... a safe, loving place where the children we now serve can live and thrive when their primary care takers can no longer take care of them.

Form 990, Part III, Line 2 - New Services

The Autism Cares Foundation has established a Scholarship Program which will be used to provide partial tuition payment for high school graduates attending college or existing college students who are continuing their education. These students must demonstrate that they have benefited someone having autism or other disabilities.

Events - 2012

In 2012, the Autism Cares Foundation hosted 134 events throughout the year with total attendance at all events combined eclipsing 3,200 attendees. These events and programs spanned a wide range of offerings giving appeal to many different age groups and ability sets, enhancing the life experiences of those that participated.

Our events ranged from monthly "bounce" outings, to "Autism Rocks" music events, bowling, movie nights, arcade outings and more. We also created unique Halloween outings and our annual Holiday arts/crafts/autism rocks event.

We also have several programs which have a defined time span for participation in order for skill sets to be enhanced. In 2012, these encompassed a weekly physical fitness program and a computer skills building program at our Learning Lab.

2012 set a new record for number of events, diversity of events and total combined participation. In 2012, we provided the local autism community with more choices for participation and as we look forward to 2013, we believe we can do more.

In 2012, the Autism Cares Foundation received \$4,623 in donated services for special events.

Schedule H. Organizations Providing Scholarships, Fellowships, Educational Loans, or Other Educational Grants to Individuals and Private Foundations Requesting Advance Approval of Individual Grant Procedures

Section I Names of individual recipients are not required to be listed in Schedule H. Public charities and private foundations complete lines 1a through 7 of this section. See the instructions to Part X if you are not sure whether you are a public charity or a private foundation.

1a. Describe the types of educational grants you provide to individuals, such as scholarships, fellowships, loans, etc.

Autism Cares Foundation intends to provide partial scholarships for college.

b. Describe the purpose and amount of your scholarships, fellowships, and other educational grants and loans that you award. The scholarships would be used for partial tuition payment for high school graduates attending college or existing college students who are continuing their education. The amounts will vary and will be based upon specific criteria established by the school district or university that we have established an agreement with.

c. If you award educational loans, explain the terms of the loans (interest rate, length, forgiveness, etc.). No loans are being offered.

d. Specify how your program is publicized. The program will be publicized through the high school's / colleges email system, at school board meetings, within guidance councilor offices and other appropriate places within the school itself and at school events. Additionally, we will have a posting on the Autism Cares Foundation website.

e. Provide copies of any solicitation or announcement materials. See attached Doc # 1

f. Provide a sample copy of the application used See attached Doc # 2

2 Do you maintain case histories showing recipients of your scholarships, fellowships, educational loans, or other educational grants, including names, addresses, purposes of awards, amount of each grant, manner of selection, and relationship (if any) to officers, trustees, or donors of funds to you? If "No," refer to the instructions. Yes, a record of all scholarships that are awarded will be kept and will include the name of recipient, address, amount of award, educational institution awarded to and whether there is a relationship to any officer, trustee, board director or donor.

3 Describe the specific criteria you use to determine who is eligible for your program. (For example, eligibility selection criteria could consist of graduating high school students from a particular high school who will attend college, writers of scholarly works about American history, etc.). Our selection criteria will consist of graduating high school students from high schools that we have partnered with, who plan on attending college and/or current college students who have demonstrated that they have benefited someone having autism or other disabilities. The benefit would include such things as; having routinely spent time with a person(s) having autism or other disabilities, assisted in coaching or teaching a person(s) having autism or other disabilities, raised funds for a charity that benefitted people with autism specifically the Autism Cares Foundation, developed or participated in a club that benefitted people with autism or other disabilities, etc. The Autism Cares Foundation and the Selection Committee shall not discriminate on the basis of race, color, religion, creed, gender, age, national origin (ancestry), disability, marital status, sexual orientation, or military status in any of its activities or operations.

4a Describe the specific criteria you use to select recipients. (For example, specific selection criteria could consist of prior academic performance, financial need, etc.). The specific selection criteria will be based upon the completed application attached, a demonstrated record of benefitting a person or organization that benefits a person/charity having/dealing with autism or another disability. The selection committee will consist of members from the applicants school (High School principle or another designate of similar caliber), a guidance counselor (from the school the applicant is from), two

to three members of the school district's school board, and two board directors of the Autism Cares Foundation. If a university, substitute appropriate comparable titles.

B. Describe how you determine the number of grants that will be made annually. The number of scholarships awarded each year will depend on the amount of funds raised through fundraising efforts within the school district/university as specified below.

C. Describe how you determine the amount of each of your grants. The number of scholarships that will be awarded will be based upon proceeds that the school district/university has raised through various fund raising efforts with a percentage of these funds being earmarked for scholarships within that particular school or school district.

D. Describe any requirement or condition that you impose on recipients to obtain, maintain, or qualify for renewal of a grant. (For example, specific requirements or conditions could consist of attendance at a four-year college, maintaining a certain grade point average, teaching in public school after graduation from college, etc.). Our scholarships will be for one specific school year only. The applicant may re-apply in subsequent years, yet will not be given any preferential consideration if they had previously been awarded a scholarship.

5. Describe your procedures for supervising the scholarships, fellowships, educational loans, or other educational grants. Describe whether you obtain reports and grade transcripts from recipients, or you pay grants directly to a school under an arrangement whereby the school will apply the grant funds only for enrolled students who are in good standing. Also, describe your procedures for taking action if the terms of the award are violated. Autism Cares Foundation will not be responsible for any supervising activities once the scholarship has been awarded. The Scholarship funds will be paid directly to a school district/university under an arrangement whereby the school will apply the scholarship funds only for enrolled students who are in good standing. If the applicant falsified information and it is discovered prior to awarding a scholarship, then that applicant would be disqualified. If other terms are violated, it is up to the school/university that awarded the scholarship to take whatever actions they deem appropriate. Once we deliver the scholarship funds to the school, they become responsible for disbursing the funds and ascertaining that criteria are met.

6. Who is on the selection committee for the awards made under your program, including names of current committee members, criteria for committee membership, and the method of replacing committee members? The selection committee will consist of members from the applicants school district (High School principle or another designate of similar caliber), a guidance counselor (from the school the applicant is from), two to three members of the school district's school board, and two board directors of the Autism Cares Foundation. There are currently no committee members as we are awaiting IRS approval prior to implementing. The criteria for committee membership includes that there is a nomination process and existing members vote for the new member after an interview and background check. If a university substitute appropriate comparable titles.

7. Are relatives of members of the selection committee, or of your officers, directors, or substantial contributors eligible for awards made under your program? If "Yes," what measures are taken to ensure unbiased selections? Note. If you are a private foundation, you are not permitted to provide educational grants to disqualified persons. Disqualified persons include your substantial contributors and foundation managers and certain family members of disqualified persons.

Relatives of members of the selection committee, our officers, directors, and substantial contributors are eligible for awards/scholarships under our program. The selection committee, our officers, directors and substantial contributors themselves are not eligible for awards/scholarships. The Autism Cares Foundation is a minority vote holder in the selection process. The school district /university has the majority of the votes for the selection process. The applicant related or otherwise must meet all of the eligibility requirements to be considered. If that individual has met all of the requirements, then the applicant must still be voted upon by majority vote to be awarded a scholarship.

Section II Private foundations complete lines 1a through 4f of this section. Public charities do not complete this section.

1a If we determine that you are a private foundation, do you want this application to be considered as a request for advance approval of grant making procedures?

B For which section(s) do you wish to be considered?

- **4945(g)(1)—Scholarship or fellowship grant to an individual for study at an educational institution**
- **4945(g)(3)—Other grants, including loans, to an individual for travel, study, or other similar purposes, to enhance a particular skill of the grantee or to produce a specific product**

2 Do you represent that you will (1) arrange to receive and review grantee reports annually and upon completion of the purpose for which the grant was awarded, (2) investigate diversions of funds from their intended purposes, and (3) take all reasonable and appropriate steps to recover diverted funds, ensure other grant funds held by a grantee are used for their intended purposes, and withhold further payments to grantees until you obtain grantees' assurances that future diversions will not occur and that grantees will take extraordinary precautions to prevent future diversions from occurring?

3 Do you represent that you will maintain all records relating to individual grants, including information obtained to evaluate grantees, identify whether a grantee is a disqualified person, establish the amount and purpose of each grant, and establish that you undertook the supervision and investigation of grants described in line 2?

About Autism

The rate of autism is a staggering 1 in 88 with no abatement in sight and is the most prevalent disorder amongst children. More people will be diagnosed with autism this year than all of the other childhood diseases combined. Considering this epidemic, services are needed on an immediate and continuing basis.

Autism Cares Foundation

The Autism Cares Foundation offers life-enriching experiences, programs and opportunities to those on the autism spectrum in a safe and welcoming environment. All of the programs that Autism Cares Foundation offers are provided at no cost to those participating as we never want cost to be a constraining factor when a family is deciding to participate in one of our programs or events.

Today's services and those that are needed for tomorrow can only be provided through the support of our many volunteers who assist at our activities and who raise funds that support all of these programs.

Your volunteer help is a vital link that enables us to continue our work assisting those with autism today and your fundraising efforts allow us to continue offering these programs at no cost while at the same time helps raise scholarship funds that go to your school district or university.

Autism Cares Foundation Scholarship Program

Provides for scholarship funds for high school seniors and current college students who are continuing their education, who have demonstrated that they have benefitted an individual(s) having autism and/or can demonstrate that they have been instrumental in a fund raising effort benefitting the Autism Cares Foundation.

Who is eligible for the Scholarship?

The Autism Cares Foundation Scholarship Program is for high school and college students continuing their education, who have demonstrated through their actions that they have benefitted an individual(s) having autism. Your school must have an agreement with Autism Cares Foundation to be eligible to receive scholarship funds.

Eligibility Criteria

Graduating high school students and college students continuing their education may apply. Applications will be reviewed by a selection committee consisting of school district and/or university boards who will consider the following in making their determination:

The applicant is able to document any of the following:

- volunteered at an organization's event where you were directly involved assisting a person with autism
- demonstrated that you have organized an event that benefitted a person(s) with autism
- demonstrated that you have assisted in raising funds for the Autism Cares Foundation.

What does the Scholarship pay for?

The scholarships are designated for partial tuition payment for high school graduates attending college or existing college students who are continuing their education. The amounts will vary and will be based upon specific criteria established by the school district or university that the Autism Cares Foundation has established an agreement with.

How is the scholarship funded?

The Autism Cares Foundation develops a partnership with school districts/universities and encourages students and faculty to get involved with the Autism Cares Foundations' fundraising efforts. A portion of all the funds raised by a particular school district/university are dedicated to scholarships for that school district or university.

By helping the Autism Cares Foundation raise funds to support the many programs they offer to people with autism, you are also helping your school develop a pool of scholarship funds. These scholarship funds are then awarded to students like yourself (who meet certain selection criteria) who are planning on attending college or continuing their education.

How Do I Apply?

Applications may be obtained through your guidance counselor's office or on-line at autismcaresfoundation.org

Applications must be submitted to the Autism Cares Foundation by February 1st of the year that you are graduating/re-enrolling. Only fully completed applications will be considered.
