Pt I Line 2		The Organization has no formal procedure for monitoring the use of grant/assistance funds. Funds
		are awarded based on a preliminary review of the need and/or purpose as communicated by the
		individual or organization making the request. As members of the community, members of the
		Organization are usually able to observe first hand how the funds are used and if they are used
		for the requested need/purpose. If possible, the Organization will grant funds to an administrative
		body, such as the Veterans Administration Hospital, which in turn will use the funds for the intended
		direct benefit of hospitalized veterans. If another request is made at a subsequent date, the
		Organization is able to ask pertinent questions as to the benefits realized from the prior grant
		before another grant is considered.
