Donor Advised Grants-CFGRB operates donor advised funds to fulfill their mission of "connecting people who care with causes that matter". Donors advise staff of requested grants, staff then performs due diligence on the request. If the grant is deemed appropriate by staff it is then awarded. The Board of Directors is given a list at each Board meeting for approval. See Schedule O re: Part IX, Line 240 for explanation of expenses in excess of grants.
-
- 4b** (Code:) (Expenses \$ 2,649,182 including grants of \$ 2,649,182) (Revenue \$ 0)
Unrestricted and Designated Grants-Grants are allocated through both responsive and proactive methods. A committee made up of both Board and community members meets twice each year to review grant applications and award responsive grants. A board committee for strategic grantmaking reviews current community issues to identify larger scale projects and partnerships. Staff provides community leadership and facilitates convening of natural stakeholders to address Board identified priorities. Larger multi-year grants are considered and awarded by the Board appointed committee and monitored for impact. The major issues currently being addressed are 1) increasing the high school graduation rate, 2) improving the nursing shortage, 3) reducing youth homelessness and 4) improving early childhood education.

Form 990 Part VI Section A Line 2 A member of our Board of Directors has a business relationship with another member of our Board of Directors in that one is the CFO of the Corporation that the other's family owns. The Community Foundation does not do business with this company.

Form 990 Part VI Section B Line 11b The Form 990 is reviewed and approved by the Foundation's Audit Committee. After their approval, it is presented to the Foundation's full board for their review. In both presentations, key elements are highlighted.

Form 990 Part VI Section B Line 12c Board and Committee members sign a conflict of interest form each year where they are asked to list the organizations where there is a conflict. A list is then kept of the necessary abstentions for each vote. Those abstentions are listed in the appropriate minutes. Because we live in a smaller community, staff is always mindful of the business relationships our board and committee members have and how those relationships could be perceived as a conflict for the Foundation.

Form 990 Part VI Section B Line 15b The Administrative Committee is provided with comparative salary information from the Council on Foundations salary survey. The survey is looked at as a whole as well as regionally. Local non profits of like size and scope are also reviewed. This is documented in the minutes of the Administrative Committee meeting where the CEO's salary is voted on.

Form 990 Part VI Section C Line 19 Governing documents and the Conflict of Interest Policy are available upon request. The Foundations current audit and 990 as well as the 2 prior years of each are available on the Foundation's website. They are also available in hard copy upon request.

Form 990 Part IX Line 24a Charitable Expenses are distributions to a non chantable entity for a chantable purpose. IE: Paying a retailer directly for the lumber to build playground equipment rather than paying a non profit to go buy the lumber.

Form 990 Part XI Section 9 This represents the net of two large transfers between the

Community Foundation and CFGRB Realty Holdings, Inc. The first was a transfer of farmland

valued at \$1,906,000 that was held by a Charitable Remainder Unitrust. These assets were held

on the books of the Community Foundation as a Receivable because we were the irrevocable

beneficiary of the Unitrust. In 2012, the donor passed away and the Foundation became the

owner of the farmland. The assets were transferred to the related CFGRB Realty Holdings, Inc.

The second was a \$332,315 transfer of cash from CFGRB Realty Holdings, Inc to the Community

Foundation. This represents the proceeds from the sale of three donated residential properties

in Florida.

Part VII Supplemental Information

Complete this part to provide additional information for responses to questions on Schedule R (see instructions).

Part V Line 2-1 \$1,906,000 of this is a transfer of farmland that was held by a Chantable
Remainder Unitrust. These assets were held on the books of the Community Foundation as a
Receivable because we were the irrevocable beneficiary of the Unitrust. In 2012, the donor
passed away and the Foundation became the owner of the farmland. The assets were transferred
to the related CFGRB Realty Holdings, Inc. The remaining \$2,500 is a transfer from the
Community Foundation of the Great River Bend to defray the cost of D&O insurance.

Part V Line 2-2 These funds were in a CRT funded with residential property. The proceeds from
the sale of the residential property in the CRT were transferred from CFGRB Realty Holdings,
Inc. to the Community Foundation to be managed since there was no longer real estate involved.
