The Saint Paul Foundation conducts its salary survey by hiring an outside, neutral third party consultant to conduct a labor market analysis and neutral third party consultant to conduct a labor market analysis provide recommendations for salary structure for vice president positions. These positions are referenced to a national community foundation (\$500 million or greater in assets) market and a Minnesota custom survey of private/family community and corporate foundations conducted by Qual Comp. National data is geographically adjusted to the Minneapolis/Saint Paul area cost of living index. Jobs are matched based on content, responsibilities, level and qualifications. Market reference points for vice president positions are calculated by averaging the market data. Pay is considered competitive at plus or minus 10% of the market reference point. Performance is reviewed by the chief executive officer based on self evaluation, summaries of confidential comment by board members, peer and direct reports.
