3. **Financial Statement**. The latest 12-month **audited** financial statement with accompanying Notes or unaudited, **in-house** statements of the organization, including a **Statement of Financial Position** (*assets/liabilities) and a **Statement of Activities** (*income/expenses).

 - B) In the case of religious orders not under the fiscal jurisdiction of an Ordinary, the Provincial, Abbot or Superior should send a letter to the Foundation commenting on the application

Optional

5. **Narrative**. If you wish to include additional information that you feel is important for our Board to consider, a supplemental Narrative is recommended. You may choose the format or you can follow the general outline of the application form and explain the project in greater detail. *(Preferably not to exceed 5 pages)*

GUIDELINES FOR COMPLETING THE APPLICATION FORM

Specific Purpose

Please be specific regarding the purpose for which the money is needed. "Purpose" should not be confused with project *goals* or *methods*. "Purpose" almost always relates to *means*, not *ends*. State clearly what you are asking the Foundation to assist you in acquiring or doing.

(Examples. "Grant funds would be used to . . . purchase computer equipment for the elementary school pay the salary/benefits of a Youth Minister" .. etc)

Introduction

This serves to describe your organization, its mission and achievements. What needs to be conveyed is a clear sense of its "track record" and competence in the activity or area for which funds are being sought.

Problems, Objectives & Methods

Describe the basic problem or need. What it is you want to accomplish and the method(s) you plan to use. It is important to demonstrate that the problem or need is real and currently not being met by others.

Timing

Be specific as to the status, date and/or time frame of the project. This is an important element of consideration. *Reminder: the Foundation will not accept proposals for projects that have already taken place by the time of the Board meeting*

Cost & Financing

List the costs of the total project and provide specific line item detail for the amount requested of the Raskob Foundation. State how much has been raised toward the total, how much still needs to be raised, and other sources of support to be sought. In the event the Foundation cannot grant the amount you are requesting, list a smaller amount that would be helpful in moving the project forward to the next stage.

Evaluation

Will the project have a tangible measurable outcome? What methods and measures will you use to evaluate the project? How will you be able to prove that you have gotten the results you want? Do your measures focus on ends, not means?

Photos are always helpful in providing a visual understanding of the locale, the organization, people and/or project.

6. Payment of Grants Outside the US. It is the practice of the Raskob Foundation to make payment of grants outside the US *via crossed check to the local Diocese*, whereupon the Ordinary deposits the funds into the Diocesan bank account, procures the exchange into the local currency and ensures that the funds are delivered safely to the grant recipient.

7. **Applications for Vehicles.** If funding is approved toward the **purchase of a vehicle**, the vehicle may not be owned by an individual nor assigned for the exclusive use of an individual. *Of Special Note to Applicants **Located in Africa** Based on the Foundation's funding history, requests to purchase vehicles have a low priority in comparison with other projects. As such, it might be in your best interest to apply for another of your funding needs*

8. **Independent Catholic Foreign Organizations** It is the practice of the Raskob Foundation to restrict funding outside of the U.S. to basic official Catholic institutions, such as: Dioceses, churches, schools, parishes, religious congregations/orders, hospitals or universities. Our Board of Trustees has amended this policy to include other independent Catholic organizations outside of the U.S., *if the following step is taken*.

The organization must first obtain a **letter from the Diocesan Ordinary** (Cardinal, Archbishop or Bishop) or its official Episcopal Moderator appointed by the Holy See, *attesting to the fact that the organization is formally Catholic, not-for-profit, and located within the Diocese.*
