Grant Guidelines: Community Enrichment Grants Program for Designated Organizations

The Joy McCann Foundation sponsors a Community Enrichment Grants Program for organizations designated by the Foundation's founders as those entities they "wish to continue to support." Only these organizations are eligible to apply.

Purpose

The Community Enrichment Grants Program is designed to assist the designated organizations to develop and/or deliver programs or services that meet the needs of their primary stakeholders and thereby enrich the community they serve. This guideline—which is purposely broad—allows the designated organizations to be creative in:

- proposing innovative ideas and
- defining emerging needs

Community Enrichment Grants will *not* be made in support of

- Debt reduction
- Organizational operating budgets
- Endowments
- Special events
- Administrative staff salaries
- Capital construction
- Fundraising
- Political efforts

The Community Enrichment Grants Program is designed to support programs and projects with identifiable outcomes, *not* general operating budgets. The Community Enrichment Grants Program does *not* pay indirect costs. While the grant program does allow the support of ongoing programs, this is an ideal grant opportunity for special projects.

Funding and Frequency

The Community Enrichment Grants Program operates on a semi-annual giving cycle; each designated organization can apply during either or both cycles, but may receive an award only once a year.

The maximum grant award in any calendar year will be \$25,000.

No multi-year awards will be made through this grant program. Community Enrichment Grants are intended to act as a catalyst in allowing organizations to achieve greater capacity to fulfill their long-term goals. This grant program is not designed as a means of long-term support. *Renewal grants are generally discouraged, although under exceptional circumstances they may be approved.*

Deadlines for the semi-annual grant cycles are:

Spring Cycle:

Grant Proposals due February 1
Notification of funding by March 15
Grant start date: April 1

Fall Cycle:

Grants due August 1
Notification of funding by September 15
Grant start date: October 1

The original application packet and two copies should be sent to the address below. No faxed or electronically submitted applications will be accepted.

Applicants will receive acknowledgement of their submission by electronic mail.

Reporting

All grant recipients are required to submit both an interim progress report at the mid point of the grant period and a final progress report within 30 days of the close of the grant. The reporting schedule for each grant will be set out in the grant agreement letter.

Final Report: The final report should not exceed three pages and should include progress made towards the goals stated in the proposal, an explanation of achieved program/project outcomes and a closing financial report.
