Identifier	Return Reference	Explanation
X	2	The Ministry is exempt from federal income taxes under the provisions of Section 501c3 of the Internal Revenue Code. The Ministry received its determination letter from the Internal Revenue Service in January 2002. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. Accounting principles generally accepted in the United States of America prescribe requirements for the recognition of income taxes in financial statements, and the amounts recognized are affected by income tax positions taken by the Ministry. The Ministry's position that it is tax exempt under Section 501c3, and the position that none of its income is unrelated business taxable income are defined as tax positions under these requirements. While management believes it has complied with the Internal Revenue Code, the sustainability of some income tax positions taken by the Ministry may be uncertain. There are minimum thresholds of likelihood that uncertain tax positions are required to meet before being recognized in the financial statements. Management does not believe that the Ministry has any material uncertain tax positions at December 31, 2012. In the event interest and penalties were due relating to an unsustainable tax position, they would be treated as a component of income tax expense. The Ministry's federal income tax returns are subject to examination by the Internal Revenue Service, generally for three years after filing. At December 31, 2012, the tax returns for the years 2009, 2010, and 2011 are subject to examination.
