Federal Statements**Form 990-PF - General Footnote****Description**

Return has been filed as a Form 990-PF since inception. IRS e-file attempts repeatedly rejected. Per guidance from software provider, the initial return of a former public charity box was marked to allow return to be processed electronically. Additional errors suggested that Part VII-A Line 15 checkbox had to be marked or the Preparer information had to be removed. This error could not be corrected.

Late filing is due to the tax preparer being unaware of the features of the software used to prepare Form 990-PF returns. This is the first year to electronically submit returns using this software.
