A final mainstay of our program activities are the professional networking and career advancement opportunities for young women in the Capitol area. Several times throughout the year, California Capitol Network arranges activities intended to reach young, professional women and allow them opportunities to meet and interact with other members of the Capitol community they might not otherwise have the possibility to meet. These activities include a "Speaker's Series" luncheon, membership dinner with prominent leaders in the Capitol community, as well as more informal activities such as afternoon tea sessions. By providing these opportunities, California Capitol Network is working to strengthen the prospects participants have for future growth in the industry.
