The Peaks, Flagstaff, Arizona, is unlike any senior community in the county because it shares strong ties with the Museum of Northern Arizona. The Peaks also provides its residents, as well as children in the area, with unique intergenerational activities that benefit the older adults and the children alike. Two of The Peaks residents and The Lodge executive director are docents of the museum, providing education on local history, and discoveries of the Colorado Plateau to area schools, associations, the public and Peaks residents. The Peaks also provides assisted living, progressive memory care, rehabilitation, long-term care, and skilled nursing. The Peaks offers the opportunity for residents to "age in place," which encourages the resident to remain in their apartment homes receiving assistance with activities of daily living through personalized levels of care. Description of Uncertain Tax Positions Under FIN 48	Part X, Line 2	The Company is exempt from federal and state income taxes under Internal Revenue Code 501(c)(3). The Company is subject to tax on income from any unrelated business. On January 1, 2010, the Company adopted the recognition requirements for uncertain income tax positions as required by the FASB ASC 740-10 (formerly known as FASB Interpretation No. 48, Accounting for Uncertainty in Income Taxes), with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained upon examination by taxing authorities. The Company has analyzed tax positions taken for filing with the Internal Revenue Service and state jurisdiction where it operates. The Company believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Company's financial condition, results of operations, or cash flows. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at December 31, 2012.

We currently have a \$7,500 endowment at Northern Arizona University within the Behavioral and Social Science Department for scholarships to students who plan careers that would support seniors. In addition, an endowment in the amount of \$15,000 was established with The Northern Arizona University's Foundation to be used for scholarships for degree advancement for registered nurses who aspire to earn a bachelors degree in nursing.
