Special Initiatives

Capital Campaigns. Trustees will make several capital grants each year to established organizations exemplifying the two major interest areas: services to abused and sexually assaulted women and children, and programs serving teens and youth in poverty. These grants will range from \$40,000 to \$60,000. Apply throughout the year with a two-page letter of interest describing the proposed capital campaign, and a one-page budget summary. If accepted for further consideration, you will be asked to submit a full proposal and audited

financial statements. (Send two copies of all materials)

**NOTE: Due to reduction in foundation assets,
no capital grant requests will be accepted until further notice.**

Technical Assistance Grants. Grants up to \$1000 will be made throughout the year to help organizations operate more effectively. Generally these grants support training for Boards and staff, but are not used for expenses related to attending conferences. Preference is made to collaborative training opportunities for groups working on similar issues. Apply throughout the year with a two-page summary letter and a one-page budget. (2 copies)
