Grantseekers must meet at least one of the following three criteria:

- Be recommended by an employee who is an active volunteer in the organization, or
- Be performing community work that corresponds to the Foundation's initiatives, or
- Promote financial literacy

Priority will be given to organizations that already have Schwab employee volunteers – and the more employees involved with the organization, the greater the opportunity to be considered for a direct grant

Grant requests must be submitted using our online direct grant application form. Once submitted, requests are acknowledged via email with a confirmation number.

The foundation does not provide capital, challenge or seed funding or grants to hospitals or institutions of higher education, except in limited circumstances. As the foundation does not have the technical expertise to analyze medical research methodology and results, grants are generally not made to single-disease-oriented organizations or for medical research. Support for higher education, hospitals and single-disease-oriented organizations may be provided through the Employee Matching Gifts Program.

Eligible Organizations

To qualify for a direct grant, organizations must be based in the United States or one of its territories and must be recognized as a tax-exempt public charity under section 501(c)(3) of the U.S. Internal Revenue Code (per section 170).
