Form 990, Part III, Line 1 - Organization Mission

Between October 1998 and February 2013, the Milagro Foundation has supported children and youth in 36 states and 35 countries by granting \$5,294,213 to 351 agencies working with vulnerable children and youth in the areas of education, health and the arts.

Milagro's education focus support agencies and organizations that are working to close the achievement gap and provide college access and aspirations among young people. Milagro evaluates long term projects that will lead to systemic changes, especially in impoverished communities. Through education we hope to help change or eliminate the cycle of poverty in Bay Area communities.

In the areas of health, the foundation examines agencies that provide mental health, physical health, family support and addiction support to children around the San Francisco Bay area as well as continuing our focus and funding of international global health initiatives.
