Form 990, Part III, Line 1 - Organization Mission

The mission of Interfaith Power & Light is to be faithful stewards of Creation by responding to global warming through the promotion of energy conservation, energy efficiency, and renewable energy. This campaign intends to protect the earth's ecosystems, safeguard the health of all Creation, and ensure sufficient, sustainable energy for all.

Form 990, Part III, Line 4b - Program Service Accomplishments

National Program:

In 2012 the Interfaith Power & Light (IPL) campaign expanded its reach to 15,000 congregations and increased participation in its programs and activities. The focus on strategic outreach continued. This included identifying opportunities for growth, investing in training for state affiliates, from strategic planning to fundraising, policy advocacy, and educational programming.

2012 National program expenditures funded our national campaigns and programs, from organizational support for state affiliates, to policy advocacy, to national educational campaigns. A few highlights were our national conference of state affiliates in Washington, increased participation in the Cool Congregations Challenge and a new website for that program, and expanded communications work.
