Section D. Computation of Investment Income Percentage

17 Investment income percentage for 2012 (line 10c, column (f) divided by line 13, column (f))	17	%

Part IV **Supplemental Information.** Complete this part to provide the explanations required by Part II, line 10; Part II, line 17a or 17b; and Part III, line 12. Also complete this part for any additional information. (See instructions).

Part II, Section B, Line 10 - Other Income

In 2011 we received a health insurance credit of \$915.

Part II, Section C, Line 14.

There is a substantial change in the percentage reported in 2012 due to a data entry error when computing 2011 public support percentage.

A donation was added to the 2011 support schedule as \$600,000 instead of \$60,000. This caused line 5 to change to \$439739 from \$968369.

So using this as a numerator the public support percentage in 2011 should have been reported as 79% instead of 51%.

Part VI, Line 11b. Describe the process used by the organization to review this Form 990.

Management sends the draft 990 report to the entire board of directors by email at least two weeks in advance of filing, requesting their review and comments. Directors "reply to all" by email, so the whole board and top management can track the discussion and any concerns.

Part VI, Line 12c. Describe how the organization regularly and consistently monitors and enforces compliance with the conflict of interest policy.

At each regular board meeting, the board explicitly reviews any potential conflicts of interest, including requiring each director to report his or her outside organizational involvements. Any relevant conflicts of interest must be approved by the board. Directors sign a conflict of interest statement on a semi-annual basis. In addition, at each regular board meeting the board receives a report of the outside involvements of the organization's staff members.

Part VI, Line 15b. Describe the process for determining compensation of CEO and top management including a review and approval by independent persons, comparability data, and contemporaneous substantiation of the deliberation and decision.

On an annual basis the board of directors, without the CEO's participation, conducts a review of comparable organizations' CEO compensation, discusses its findings (again, without the CEO present), determines by board vote the compensation for the CEO for the coming year, and records their decision in the board meeting minutes.

Part VI, Line 19. Describe how the organization makes its governing documents, conflict of interest policy, and financial statements available to the public.

By board policy, the organization makes such documents available upon request but only as approved at the discretion of the CEO.

Part IX, Line 11g. If line 11g amount exceeds 10% of line 25, column (A), list line 11g expenses.

The amount on 11g includes payments made to various independent contractors for work on GMI projects. These include speaking, computer programming & web design, GIS services, graphic design, videography, teaching, research, communications, and social media work.
