GENERAL INFORMATION

The Margoes Foundation was established in 1984 by the will of John A. Margoes and operates as a private foundation incorporated under California law.

GRANT PROGRAM OBJECTIVES

John Margoes envisioned that the foundation would be a resource and catalyst for supporting imaginative and creative program opportunities that enabled:

- Minority and other disadvantaged youth to obtain a college education.
- People with mental disabilities to live in non-institutional environments and lead productive lives.
- Students from Asia and Africa to study in the United States.
- Promising biomedical scientists to engage in cardiovascular research.

ELIGIBLE APPLICANTS

The foundation accepts grant requests only from tax-exempt, charitable organizations that are not defined as private foundations under Section 501(c)(3) of the Internal Revenue Code.

GEOGRAPHICAL FOCUS

The foundation prefers to fund eligible non-profit organizations located in the San Francisco Bay Area to facilitate interactions with grantees and oversight of the grant.

SEED MONEY AND MATCHING GRANTS

The foundation prefers to:

- Award grants as seed money to jump start new program initiatives that effect strategic change.
- Provide matching grants and leverage its support with contributions from other donors.

TERM OF GRANT

Grants are awarded for a one-year period and may be extended based on grantee performance and program effectiveness.

PROGRAM LIMITATIONS

The foundation does not:

- Accept requests from individuals or award loans, scholarships, or grants to individuals.
- Award grants for annual fund campaigns, fundraising events, operating deficits, endowments, sectarian religious activities or sectarian religious facilities.
- Assume any obligation to provide continuing support to grantees.

CURRENT PROGRAM PRIORITIES

PRIMARY PRIORITIES

1) FOR MINORITY AND DISADVANTAGED STUDENTS:

The foundation places a high priority on funding collegiate and pre-collegiate programs that prepare low income, minority, and other disadvantaged students to qualify for post-secondary education, matriculate to a college or university and graduate with a degree.

COLLEGE PROGRAMS

- To support institutional scholarship and financial aid programs for promising minority and disadvantaged students with high academic potential.

COLLEGE PREPARATORY PROGRAMS

To support after-school and academically-focused summer programs to help minority and disadvantaged high school students improve their competence in secondary school subjects and better qualify for admission to college.

Appropriate programs include supplemental math and science activities, tutoring and mentoring in academic disciplines, computer literacy, the arts and music. The program sponsor must provide information about the number of high school students enrolled in the program that graduate and enroll in college.

NEW AND INNOVATIVE EDUCATION PROGRAMS

- To support programs to increase the number of minority and disadvantaged high school graduates who enroll in college and obtain a degree.

PROFESSIONAL TEACHING TRAINING PROGRAMS

- To support programs to prepare teachers for teaching minority and disadvantaged high school students in hard to staff urban schools.

2) FOR PEOPLE WITH MENTAL DISABILITIES:

- To support community-based programs that empower people with mental disabilities to live independently and lead productive lives.
- To support community-based programs that improve the delivery of mental health services to young people who turn 18 years old and are making the transition from residential therapeutic care to independence.

SECONDARY PRIORITIES

1) FOR FOREIGN STUDENTS FROM AFRICA AND ASIA:

- To support supplementary scholarship programs for African and Asian nationals to study at a college or university in the United States. Students are expected to make a direct application of their training, to the extent possible, when they return to their home communities.

Qualifying students must have received:

- Written notification of their admission to an academically focused or short-term technology program at a college or university in the United States.
- A full academic scholarship and partial living allowance but fall short of the INS financial requirements for studying in the United States.

2) FOR POST-DOCTORAL BIOMEDICAL SCIENTISTS:

- To support institutions and associations engaged in cardiovascular research.

GRANT PROPOSAL GUIDELINES

The Margoes Foundation accepts and reviews grant proposals twice a year. Applicants should contact the foundation if they have questions about the current grantmaking priorities and application procedures.

Grant proposals should be submitted by April 15 for consideration at the spring board meeting and by October 15 for consideration at the fall board meeting. Applicants should provide one copy of the following documents:

The Cover Letter

The cover letter should be on organization letterhead, not exceed one page, and include:

- A summary of the proposed program/project and the dollar amount requested.
- A statement describing how the proposed project or program furthers the Margoes Foundation grantmaking objectives and priorities.
- A statement indicating the governing board authorizes the application.
- The names, address, telephone number, and email address of the responsible contact person.

The Proposal Narrative

The proposal narrative (with a header on each page identifying your agency) should not exceed five pages and provide the following information:

- Concise description of the organization, including history, mission, geography and population(s) served, and type(s) of programs and/or services provided.
- Concise description of the program/project (if applicable) that includes: purpose of the program/project and the need it will address; specific goal(s) and objectives; target population and the number of participants; proposed activities and timeline during the grant period; lead staff and qualifications; evaluation of the program/project, including the outcomes to be achieved based on the specific goals and objectives proposed; and proposed funding plan to continue the project or program beyond the grant period.

Attachments

Please also submit the following documents (these documents are not part of the five page narrative limit):

- Organization budget detailing all proposed expenditures and projected sources of funding.
- Program/project budget (if applicable) detailing all proposed expenditures and projected sources of funding.
- A list of other funders (including amounts, whether single or multi-year, and whether committed or pending) for the program/project and for the organization as a whole.
- The names of other funders who will be solicited for support.
- The most recent twelve-month audited financial statement including balance sheets and statements of revenue and expenses. If the applicant does not have an audited statement, please submit unaudited financial statements.
- A list of the officers and directors of the governing board with their affiliations.
- The organization's current 501(c)(3) letter and classification under Section 509(a) of the Internal Revenue Code and any updates or amendments.

GRANT REPORTING GUIDELINES

Submit a final report at the end of the grant period that includes a brief description of the organization and program/project, how the outcomes of the specific goals and objectives were evaluated, the results of those specific objectives and how they were met or not and why, how the grant helped to advance the program/project and further the foundation's grant objectives, any unexpected results encountered during the grant period and key lessons learned, and future plans for continuation of the program/project. Please also submit a financial statement that shows how the grant funds were spent.

**Application for Extension of Time To File an
Exempt Organization Return**

OMB No. 1545-1709

▶ **File a separate application for each return.**

- If you are filing for an **Automatic 3-Month Extension**, complete only **Part I** and check this box ☒ **X**
- If you are filing for an **Additional (Not Automatic) 3-Month Extension**, complete only **Part II** (on page 2 of this form).

Do not complete Part II unless you have already been granted an automatic 3-month extension on a previously filed Form 8868.

Electronic filing (e-file). You can electronically file Form 8868 if you need a 3-month automatic extension of time to file (6 months for a corporation required to file Form 990-T), or an additional (not automatic) 3-month extension of time. You can electronically file Form 8868 to request an extension of time to file any of the forms listed in Part I or Part II with the exception of Form 8870, Information Return for Transfers Associated With Certain Personal Benefit Contracts, which must be sent to the IRS in paper format (see instructions). For more details on the electronic filing of this form, visit www.irs.gov/efile and click on e-file for Charities & Nonprofits.

Part I Automatic 3-Month Extension of Time. Only submit original (no copies needed).

A corporation required to file Form 990-T and requesting an automatic 6-month extension - check this box and complete

Part I only ☐

All other corporations (including 1120-C filers), partnerships, REMICs, and trusts must use Form 7004 to request an extension of time to file income tax returns.
