Name of the organization Access Group Inc	Employer identification number 23-2719985
--	--

Identifier	Return Reference	Explanation
Change in Program Services	Form 990, Part III, Question 3	The Organization substantially ended its in-house loan servicing operations, contracting with a non-affiliated third party to perform such services. Notwithstanding this cessation, the organization retained certain delinquency servicing and default management activities in-house to most effectively assist its student loan borrowers in averting default, or if in default, successfully exiting default status.

Identifier	Return Reference	Explanation
Members or Stockholders	Form 990, Part VI, Line 6	Access Group, Inc. is a Delaware non-stock corporation. It is a membership organization whose "institutional" members or more specifically defined in its bylaws, are state-operated or otherwise federally tax-exempt law schools located in the United States that are accredited by the Council on Legal Education and Admissions to the Bar of the American Bar Association.

Identifier	Return Reference	Explanation
Members or Stockholders Who May Elect	Form 990, Part VI, Line 7a	Pursuant to the Organization's bylaws, the Board of Directors may consist of not more than thirteen directors. The institutional members elect the minimum number of directors necessary to constitute a majority of the total number of directors (the "Class A Directors"). The remaining directors (the "Class B Directors") are elected by the directors then serving.

Identifier	Return Reference	Explanation
Decisions Subject to Approval	Form 990, Part VI, Line 7b	The Organization's bylaws provide that the institutional members must approve the following actions of the board of directors: the revocation, repeal, amendment, or modification of certain provisions of the bylaws; and the revocation, repeal, amendment or modification of Article X of its Certificate of Incorporation, regarding distributions upon liquidation of the Organization. The Delaware General Corporation Law also provides that certain actions by the Board of Directors be approved by the voting members.

Identifier	Return Reference	Explanation
Form 990 Review Process	Form 990, Part VI, Line 11b	Form 990 was prepared by management in consultation with the organization's external tax accountants and attorneys. Pursuant to the provisions of its charter, the Audit Committee of the Board of Directors reviewed a draft of this Form 990 at a meeting prior to filing. A complete copy of this Form 990, including all required schedules, was provided to each of the organization's directors prior to its filing with the IRS.

Identifier	Return Reference	Explanation
Conflict of Interest Policy Monitoring & Enforcement	Form 990, Part VI, Line 12c	The Organization's conflict of interest policy requires each interested person (defined as the organization's directors, officers, and key employees) to disclose any financial interest (certain ownership interest or compensation arrangements) they may have in connection with a proposed transaction between the Organization and a third party. The Board of Directors will determine if such financial interest constitutes a conflict of interest and will employ the policy's procedures for addressing any such conflict. All interested persons provide a written certification annually affirming that they have received and understand the policy and agree to comply with it, and listing any conflicts, business relationships or family relationships that may give rise to a conflict. The Audit Committee of the Board considers all disclosed issues and management monitors and reports any actual or potential conflicts.

Identifier	Return Reference	Explanation
Process for Determining Compensation	Form 990, Part VI, Line 15a	The process for determining the compensation of the President and CEO of the Corporation is delegated by the Board of Directors to its Compensation and Benefits Committee, with such committee comprised of outside, independent Directors. It is the practice of the Compensation and Benefits Committee to review the performance of the Corporation's President and CEO periodically (generally on an annual basis) and to periodically engage a third-party, independent compensation consultant to establish the market compensation range for the position. This consultant generally establishes this range by identifying the compensation of a parallel position at comparable organizations and taking various factors into account, including but not limited to each applicable organization's industry, geographic region, size, and tax status. The Compensation and Benefits Committee reviews the information from its compensation consultant and any other relevant information, discusses such information outside of the presence of the President and CEO, and authorizes, on the record, any changes to such officer's compensation.

Process for Determining Compensation	Form 990, Part VI, Line 15b	Compensation of the Organization's other officers and key employees is determined in the same manner used for employees in general. The organization develops a chart of salary ranges based on market pay data (generally obtained periodically from a third party consultant) and a merit increase matrix. Employees receive annual performance reviews and the performance review rating for each employee is correlated with the employee's salary range and the merit increase matrix.
