Account Allocation shows the percentage that each asset class represents of your total account value. Account Allocation for equities, fixed income and other categories may include mutual funds and may be net of short position. NFS has made assumptions concerning how certain mutual funds are allocated. Closed-end mutual funds and Exchange Traded Funds (ETFs) listed on an exchange may be included in the equity allocation. The chart may not reflect your actual portfolio allocation. Consult your broker/dealer prior to making investment decisions.
