CONFLICT OF INTEREST POLICY	FORM 990, PART VI, SECTION B, LINE 12C	Brite has a Conflict of Interest policy which is reviewed annually and revised, as appropriate, to comply with current regulations. This policy notes relationships and transactions that may give rise to a conflict of interest or the appearance thereof. It describes the means for notifying the school administration or Board of Trustees of known or potential conflicts, which is done in writing on an annual basis. These written notifications, along with any other potential conflicts that arise, are reviewed by management, and adjustments are made to committee assignments, as needed. Additionally, voting privileges are discussed with trustees as necessary to comply with the policy and avoid any appearance of conflict.

COMPENSATION POLICY	FORM 990, PART VI, SECTION B, LINE 15	<p>15A an assessment form is completed annually by each trustee rating the president's performance in several key areas. Once completed individually, these outcomes are combined into an overall review shared with the president. While this annual assessment process is separate from the compensation review, the Executive committee of the board is fully aware of the overall assessment outcome. When the executive committee meets to determine the compensation for the president, it also has compensation information for the chief officers of the organization's peer schools. This information, together with the president's overall performance review (including achievement of annual goals), is considered in the decision-making process. The executive committee then discusses and approves the president's compensation.</p> <p>15B compensation of the officers of the corporation is compared to industry data published by the association of theological schools and is determined by the president of the school based on performance evaluations.</p>
