 If "Yes," describe these changes on Schedule O.
- 4** Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported
- 4a** (Code:) (Expenses \$ 111,806 including grants of \$) (Revenue \$)
 SHELTER-Provides an immediate cessation from abuse for survivors of domestic violence and their children. The shelter provides a safe space for survivors to heal, make considered decisions about their future; and with the help of the shelter advocate, find the resources needed to successfully accomplish their goals for themselves and their children and find safe permanent housing. A Child Advocate is available to assist children in mitigating the effects of living with violence, assist mom in regaining her parenting skills so often undermined by the batterer, and assist mom and children in strengthening the bond between them. Peer counseling and groups help mom to heal and thrive. The shelter program includes an economic independence component, which helps women to become financially independent and break the final barrier that can keep them connected to their batterer. In the past, many survivors returned to their abusive partner because they could not afford to provide for themselves and their children. Today, more than 85% of women in the shelter do not return to their batterer.
- 4b** (Code:) (Expenses \$ 109,241 including grants of \$) (Revenue \$)
 EDUCATION- TPN provides school based prevention education programs and community based awareness, outreach and training programs. School based programs, Connect With Respect, are available to students pre-school through 12th grade in all schools in Sullivan County. Programs teach youth skills to assist them with everyday challenges throughout their lives. Key topics include bullying and cyberbullying, personal safety, relational aggression, respect, healthy relationships, dating violence, date rape, and work that builds a Climate of Respect throughout the school. Trainings are encouraged for staff and parents. Community based programs include trainings for other first responders, trainings at businesses on sexual harassment and domestic violence in the workplace, as well as general awareness programs, all focused on building a healthier community and one that is more responsive to the needs of survivors. Overall, our education programs have an eye toward the future, preventing violence before it begins, and fewer victims and offenders.
- 4c** (Code:) (Expenses \$ 348,446 including grants of \$) (Revenue \$)
 DIRECT SERVICES-Provides direct services that bring about an immediate cessation from abuse, such as emergency shelter and court advocacy in obtaining restraining orders, as well as services that provide support for healing such as peer counseling, support groups and advocacy in accessing additional community services. Services are available 24 hours a day, 365 days a year. Services are provided by a very small staff and a significant volunteer task force. Services are provided on an empowerment and advocacy model. We help survivors make their own decisions about their safety and healing by providing safety planning, options for TPN and additional community services, information on abuse and recovery, advocacy and accompaniment. Survivors decide which services they want to access. There is no charge for services as most survivors we work with do not have the means to pay for services or could not safely access resources. We work to reduce all other barriers including transportation childcare and language. Services are provided to adult, teen and child, female and male survivors.
- 4d** Other program services (Describe in Schedule O.)
 (Expenses \$ 142,200 including grants of \$ 0) (Revenue \$ 0)
- 4e** Total program service expenses ▶ 711,693
