| Political activities | Schedule C page 1 Part I-A Line 1 | In June 2013, the Association formed the Committee to Ensure Safe Patient Care. The funding for the Committee's operations was approved by the Association's Board of Directors in order to place an initiative petition for a law to limit how many patients could be assigned to a registered nurse in Massachusetts hospitals and certain other health-care facilities, but not rehabilitation or long-term care facilities. The hospital or other covered facility would have to follow these limits without reducing the staffing levels of other personnel who affect the quality of patient care. The proposed law would not override any collective bargaining agreement or other contract in effect on July 1, 2015 that set higher patient limits, but the proposed law's limits would take effect after any such agreement or contract expired. |

| Uncertain Tax Position | Schedule D, Page 3, Part x, Line 2 | The Association is a tax exempt organization under Section 501 (c)(6) of the Internal Revenue Code and is, therefore, exempt from Federal and state income tax. Accounting principles generally accepted in the United States of America require the Association to evaluate tax positions taken, including the position that the Association qualifies as a tax-exempt organization, and recognize a tax liability (or asset) if the Association has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Association, and has concluded that as of June 30, 2013 and 2012, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Association believes it is no longer subject to examinations for years prior to June 30, 2010. The Association's policy is to recognize any interest and penalties related to tax matters as an expense when paid. |
