Schedule M, Line 32b: When the Boston Foundation, Inc. is notified that a donor will be making a contribution of a publicly traded security, instructions are provided to the donor to deliver the shares to the Boston Foundation's brokerage account. The Foundation typically uses one brokerage firm (Barclays Capital, Inc.) for publicly traded security transactions. The Foundation also holds accounts at a small number of other brokerage firms in order to facilitate efficient transfers for donors with accounts at those firms. When securities are received, the shares are sold as soon as possible, typically upon receipt or the next business day. Upon settlement, proceeds are delivered to the Boston Foundation. The Foundation may receive contributions of closely held or restricted securities that are not sold upon receipt, but are sold either upon the lifting of the restriction or when a liquidation event occurs.

Occasionally the Foundation receives non-cash contributions such as limited partnership interests, real estate, or other assets which may require the Boston Foundation to engage a third party to handle the sale. When the Foundation is notified of such gifts, the asset is reviewed to determine the appropriate sales agent. The Foundation is not involved in the valuation of non-cash contributions. Donors are responsible for obtaining an independent third-party valuation.
