Identifier	Return Reference	Explanation
SchD_P10_S00_L02	Schedule D, Part X, Line 2	PIH is an organization described under Section 501(c)(3) of the Internal Revenue Code (IRC) and is exempt from income taxes under IRC Section 501(a). PIH has determined that it has taken no significant uncertain tax positions and accordingly no provision for income taxes has been recorded. PIH recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority. PIH has applied this more-likely-than-not threshold to all tax positions for which the statute of limitations remained open and determined there were no material unrecognized tax benefits as of that date. In addition, there have been no material changes in unrecognized benefits since adoption. It is PIH's policy to record estimated interest and penalties (if any) as part of management and general expense. Management believes that PIH's income tax returns for fiscal years 2009 and prior are no longer subject to examination by taxing authorities.
