SchD_P05_S00_L04	Schedule D, Part V, Line 4	The intended use of the restricted endowment funds are dictated by the donor which are predominantly for instructional purposes and scholarships. Earnings from unrestricted endowment funds are used for operations according to the spending policy established by the University's Board of Trustees.
SchD_P10_S00_L02	Schedule D, Part X, Line 2	The University accounts for the effect of any uncertain tax positions based on a "more likely than not" threshold to the recognition of the tax positions being sustained based on the technical merits of the position under scrutiny by the applicable taxing authority. If a tax position or positions are deemed to result in uncertainties of those positions, the unrecognized tax benefit is estimated based on a "cumulative probability assessment" that aggregates the estimated tax liability for all uncertain tax positions. The University has identified its tax status as a tax exempt entity as its only significant tax position, however, the University has determined that such tax position does not result in an uncertainty requiring recognition. The University is not currently under examination by any taxing jurisdictions. The University's federal tax return is generally open for examination for three years following the date filed.
