The Assistant Executive Director for Human Resources is responsible for making sure that all individuals to whom this Conflict of Interest Policy applies receive a copy and sign the Disclosure annually. In addition, this individual provides an annual written confirmation to the Executive Director noting that all appropriate persons have received a copy and signed the Disclosure. Any individual who feels that he or she may be aware of an actual or potential undisclosed conflict of interest should report all pertinent details in a memorandum to the Chair of the Board of Directors. Upon disclosure, the Board of Directors or relevant committee, in consultation with counsel if necessary, will evaluate all potential conflicts to determine if a conflict of interest exists. The covered person can be present for the portion of the discussion to respond to questions and elaborate on the information presented. The covered person then will recuse himself or herself from the discussion and from the vote on the question of whether a conflict exists. If it is determined that a conflict exists or that there is an appearance of a conflict, the transaction in question may be approved only upon a vote of a majority of the disinterested directors or a majority of the disinterested committee members. In presenting any recommendation to the full Board with respect to a transaction in which a committee member has an interest, the committee chair will disclose the particular member's interest to the full Board. Under no circumstances may a transaction be approved which would violate the terms of any existing government contracts for funding of the Agency's programs.
