Identifier	Return Reference	Explanation
Description of Uncertain Tax Positions Under FIN 48	Part X, Line 2	FIN 48 The Internal Revenue Service notified the Ranch by a letter dated May 21, 2004 (the determination letter), that its governing documents and plan of operations were designed in accordance with section 501(c)(3) of the Internal Revenue Code (IRC). Management believes the Ranch has continued to operate as a qualified charitable organization since receipt of the determination letter and is in compliance with the applicable requirements of the IRC. Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Ranch and recognize a tax liability if the Ranch has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. Management has analyzed the tax positions taken by the Ranch and has concluded that as of June 30, 2013 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Ranch is subject to routine audits by taxing jurisdictions, however, there are no examinations in progress for the current or any prior tax period. Management believes the Ranch is no longer subject to income tax examinations for tax years prior to 2009.
