		Community service is an important part of our existence. To that end, St. John Hospital & Medical Center provides a Christmas store each year for up to 600 children, giving each child a toy, outfit and gift bag for the family that includes a \$50 food gift certificate. The mission spirituality team at the hospital also supports the Salem Memorial Lutheran church food pantry with weekly donations and counseling from our spiritual care team for those attending CHARITY CARE. St. John Hospital & Medical Center offers a wide variety of health and wellness programs that meet diverse needs, regardless of economic status and physical condition. The uninsured are more likely to seek care in hospital emergency rooms. St. John Hospital & Medical Center had 128,625 emergency department visits in fiscal 2013. Increasingly, patients are experiencing limited abilities to pay for health care services or qualify for state and federally funded programs like Medicaid that cover only a portion of the cost of services provided. St. John Hospital & Medical Center offers various free clinics. For many Michigan residents, finding someone to care for them when they are sick is not as easy as making an appointment. Lack of health insurance, transportation issues and language barriers combine to create challenges. St. John Hospital & Medical Center provides a substantial portion of its services to the elderly and poor. During the fiscal year ending June 30, 2013, approximately 38% of the value of services rendered was to elderly patients under the Medicare program and approximately 18% of the services were provided to patients who were deemed indigent under state, county or medical center guidelines. We currently offer financial assistance programs through the Voices of Detroit initiative, a program that assists the uninsured and underinsured in managing their health care. During the fiscal year ending June 30, 2013, St. John Hospital & Medical center treated adults and children from the community for a total of 155,986 patient days of service. St. John Hospital & Medical Center also provided services to 14,665 outpatient surgery patients. St. John Hospital & Medical Center Uncompensated Care for Fiscal Year Ending June 30, 2013: 1. Traditional charity care provided \$14,986,589 2. Unpaid cost of public programs for persons living in poverty \$6,258,254 3. Other programs for persons living in poverty and other vulnerable persons \$1,021,330 4. Community benefit programs \$16,832,389 5.
