PART X, LINE 2		The School's accounting policy is to evaluate uncertain tax positions in accordance with Accounting Standards Codification (ASC) Topic 740, "Accounting for uncertainty in income taxes." This section of the ASC clarified the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribes a recognition threshold of more-likely-than-not to be sustained upon examination. Measurement of the tax uncertainty occurs if the recognition threshold has been met. The standard also provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition requirements. The School files tax returns in the U S federal jurisdiction, as well as the state of New Jersey and currently has no open years prior to 2009 and has no income tax related penalties and interest for periods presented in these financial statements. Should any such penalties and interest be incurred, the School's policy would be to recognize them as operating expenses. In the normal course of business, the School is subject to examination by taxing authorities. As of June 30, 2013 and through the date of this report there are no on-going audits or unresolved disputes with the various tax authorities that the School files with. As of June 30, 2013 and 2012, the School had no unrecognized tax benefits.
