| Description of Uncertain Tax Positions Under FIN 48 | Part X, Line 2   | The Agency's policy is to classify income tax related interest and penalties, if incurred, in interest expense and miscellaneous expense, respectively. Accounting principles generally accepted in the United States of America require that a liability be recorded for uncertain tax positions taken, if it is determined that the tax positions taken would more-likely-than-not be denied upon examination by taxing authorities. Management of the Agency has analyzed the tax positions taken in its filings with the Federal Government and State of New Jersey, and concluded that no tax positions have been taken that would not be sustained upon examination. Accordingly, the Agency has not recorded any reserves, or related accruals for interest and penalties for uncertain tax positions at June 30, 2013 and 2012. The Agency's federal exempt returns for 2010-2012 are subject to examination by the IRS, generally for three years after they were filed. The Organization's state informational returns for 2009-2012 are subject to examination up to four years after they were filed. The statute of limitations does not apply to unfiled returns. The Agency believes that all required returns have been filed. |

| Program Service Statement | Form 990, Part III, Line 4a, Program Service Accomplishments | <p>Annual Addiction Conference The Annual Addiction Conference was the 13th annual conference that was coordinated by NJPN. NJPN successfully secured sponsorships and fees to offer this workforce development event. This year's conference brought over 875 addiction professionals and other community members to the Atlantic City Convention Center for keynotes, workshops, and exhibits that highlighted current trends and resources to strengthen the prevention, early intervention, treatment, and recovery support services in New Jersey. An active planning committee and conference partners participated in the planning and implementation of this successful event.</p> <p>NJ Highway Traffic Safety A special track was created during NJPN's Annual Addiction Conference that was funded through the Highway Traffic Safety Department grant. This track targeted preventionists that would reach youth and provide teen driving safety programs. A power session and two workshops were offered that made the connection between drug and alcohol use by youth and the high risk of drinking and drugged driving.</p> <p>Addictions Training and Workforce Development (ATWD) Project This workforce development project provides a full series of training workshops for individuals who are interested in becoming certified alcohol and drug counselors. The full curriculum of courses is provided at 10 sites throughout the state, free of charge to participants. Advanced training is provided for certified alcohol and drug counselor and licensed clinical alcohol and drug counselor professionals. Certified prevention specialist scholarships are offered through established classes at various locations throughout the state.</p> <p>Community Transformation Grant (CTG) NJPN is the lead agency for the CTG grant through funding from the Center for Disease Control and Prevention (CDC). The CTG has created the Coalition for a Healthy NJ that will focus on chronic disease prevention within New Jersey's 13 small counties (under 500,000 in population) and address five strategic directions identified by CDC. These five strategic directions include tobacco-free living, active living and healthy eating, high quality clinical preventative services, social and emotional wellness, and healthy and safe physical environment. NJPN is leading a comprehensive needs assessment to determine the chronic disease health burden within the targeted counties and will prioritize these needs. The current grant is a capacity level project with the opportunity to apply for additional funding to implement interventions to address the identified priorities. The Coalition for a Healthy NJ currently has over 125 members and five Strategic Advisory Groups (SAG) that are providing NJPN with guidance and recommendations in each focus area. This year NJPN selected a county partner covering each of the 13 counties. These county partners were selected through a competitive process and will be part of the implementation of the pilot projects and implementation phase as needed.</p> <p>Training and Technical Assistance for the Regional Coalition Project The NJDMHAS created a network of Regional Coalitions to address the state's substance abuse priorities. NJPN was selected to provide technical assistance and support to the 17 Regional Coalitions regarding implementing the Strategic Prevention Framework including needs assessment, capacity building, planning, and implementation. Through trainings, webinars, and one-on-one technical assistance, NJPN is supporting the effective implementation of environmental strategies that will make population level change within New Jersey.</p> <p>Evaluation Support for the Regional Coalitions (Rutgers' Contract) NJPN has been contracted by Rutgers to assist them in providing evaluation support to the 17 Regional Coalitions. The Evaluation Team has created consistent data collection tools that the Regional Coalitions have utilized during their needs assessment process to capture statewide information on the substance abuse trends, policy scan details and prevention resources. As this project moves forward, a comprehensive evaluation plan will be developed and implemented to measure the successes of the Regional Coalition Project.</p> <p>Alcohol Beverage Commission (ABC) Project Select counties provide targeted outreach to high school students and their parents in their county with programs that address underage drinking. Due to loss in federal funding to the ABC, this is the last year for this grant.</p> <p>Military Personnel and their Families NJPN coordinates this statewide project through a network of local prevention partners that provide prevention programs to military personnel and their families. NJPN provides training and technical assistance and our local partners provide the direct services. Two evidence based programs are provided in 11 counties throughout the state, including Military Family Night which uses the Strengthening Families curriculum, and Achieving Personal Balance which uses the Coping with</p> |

|            | Form 990, Part VI, Section A, line 4 | On August 28, 2012 New Jersey Prevention Network adopted new bylaws. The new bylaws establish the organization as a non-membership corporation. Until that point in time, the organization had single, independent 501(c)(3) organizations as members. The minimum number of trustees was raised to seven, with the option to amend the bylaws to a minimum of three. The maximum remains at eleven. Board members are now elected by the Board of Trustees. In the past, they were elected by the membership as a whole. Amendments to the new bylaws require a majority vote of the board. The previous bylaws required a 2/3 vote of the membership. |
