Part X - FIN 48 Footnote

For years beginning after January 1, 2009, the Foundation is required to establish a threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken on a tax return. The Foundation has evaluated the impact of the provisions of FASB ASC 740-10-50 on its financial position, results of operations, and cash flows. As a result of this evaluation, the Foundation has not made and does not anticipate any adjustments that would result in material changes to its financial position. The Foundation's tax returns for years prior to 2009 are no longer subject to examination by federal income tax authorities.
