Management has analyzed the tax positions taken and has concluded that as of June 30, 2013, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. If the Foundation were to incur an income tax liability in the future, interest and penalties would be reported as income taxes. The Foundation is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Management believes the Foundation is no longer subject to income tax examinations from years prior to 2010.
