X	1	The Internal Revenue Service has ruled that the Foundation qualifies under Section 501 c 3 of the Internal Revenue code and therefore not subject to tax under present income tax law. The Foundation is also exempt from state income tax. The Foundation is required to operate in conformity with tax regulations to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Foundations qualified status.
X	2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Foundation and recognize a tax liability if the Foundation has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. Management has analyzed the tax positions taken by the Foundation and has concluded that as of June 30, 2013 and 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Foundation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes the Foundation is no longer subject to income tax examinations for years prior to June 30, 2009.

I	3	The compensation process is undertaken by Sun Health Services, a related organization. Sun Health Services uses the following process to establish the compensation of senior management: Management Review Committee, Independent compensation consultant, Form 990 of other organizations, written employee contract, compensation survey or study and approval by the board of directors following recommendation by the management Review Committee.
I	4a	Ms. Ore received a six-month severance package associated with her resignation, principally based on her years of service.
I	4b	Mr. Sellner, Mr. Guziak, and Ms. Ore participate in a board-endorsed 457(b) and (f) plan. Each participant deferred 17,000 into the plan. A Non-qualified 457(f) plan is sponsored for certain executives. This plan carries a substantial risk of forfeiture in that vesting only occurs the earlier of 5 years from the date of deposit, age 62, or Rule of 80 (age and service equals 80 or more). All deposits are employer contributions. Should a participant voluntarily terminate employment prior to a deposit vesting, the deposit is forfeited. All deposits are paid out and taxed upon vesting. Mr. Ronald Guziak received a 457(f) payment of 45,162.
II		Effective 9/2/2008, the compensation for officers and key employees was paid by Banner through an agreement between Banner Health and Sun Health Foundation. Banner Health is a separate unrelated 501(c)(3) organization. Sun Health Foundation reimburses Banner Health for the amount paid.
II		See Schedule O for a disclosure of hours devoted to related organizations. The amounts reported in Part II include the aggregate compensation for the executives for all organizations served by Sun Health Services and its affiliates.
