Part XI, Line 2d - Other Adjustments		Rounding 1
		SCHEDULE D, PART V, LINE 4 -The organization received a \$250,000 permanently restricted contribution, where the donor stipulated for the contribution to be held as part of the Organization's endowment, as a separate fund for the benefit of the Dayton Performing Arts Alliance. The fund is to be administered by Culture Works, with all investment income awarded to the Dayton Performing Arts Alliance.
		Accounting for Uncertainty in Income Taxes - The Organization has evaluated the tax positions it has taken or expects to take in the course of preparing the Organization's tax returns to determine whether the tax positions are "more-likely-than-not" of being sustained by the applicable taxing authority. Generally accepted accounting principles require the benefit arising from an uncertain tax position to be recognized in the financial statements only when it is "more-likely-than-not" the position will be sustained upon examination, including resolution of any related appeals or litigation processes, based upon the technical merits and consideration of all available information. Once the recognition threshold is met, the portion of the tax benefit that is recorded represents the largest amount of tax benefit that is greater than 50 percent likely to be realized upon settlement with a taxing authority. Based on its review, management does not believe the Organization has taken any material uncertain tax positions, including any position that would place the Organization's exempt status in jeopardy as of June 30, 2013.
