Information Regarding Grant Programs

AREAS OF GIVING

The Buhl Foundation was founded by will of Henry Buhl, Jr in 1927 and its giving is focused in Southwestern Pennsylvania with an emphasis on Allegheny County and, in particular, upon the City of Pittsburgh and its North Side The Foundation looks to find opportunities that best leverage our dollars and contribute to the sustainability and vitality of the community. We carry out the mission, objectives and guiding principles of the Foundation by focusing on the following areas of giving

- **Education** – Initiatives that foster learning environments critical to building a knowledgeable and talented population Education has always been a cornerstone of our giving Over the course of the Foundation's existence, our educational giving has adapted to the changing needs of our community Most recently, the Foundation's education giving has been directed primarily for the benefit of K-12 public schools with the goal that students graduate prepared to meet the challenges of the 21st century. Current areas of interest include initiatives that improve quality of instruction, advance the professional development of teachers, develop effective curriculum with a particular emphasis on science and math, integrate arts and culture into curriculum in partnership with community groups, support environments in which youth can learn, encourage community and higher education partnerships that further science, technology, engineering or math education (STEM), and intermediary organizations that improve school quality, governance, leadership and accountability

- **Youth Development** – Projects that provide opportunities for our young people to thrive, to be safe and to live in a nurturing environment The Pittsburgh region that Mr Buhl loved will thrive when young people are able to learn and to assume the responsibilities of civic participation and leadership The Buhl Foundation looks for initiatives, particularly in disadvantaged communities, that support young people in out-of-school time activities that develop leadership, enhance learning, encourage community service, provide recreational enjoyment or prevent violence

- **Human Services** – Strategies where our resources make a difference in addressing persistent community challenges or unmet needs of at-risk neighborhoods The Foundation funds efforts that support a thriving and diverse community, encourage citizen volunteers or improve access to services Support is also provided for special projects that improve the effectiveness of such organizations to reach out and meet these human service needs.

- **Economic and Community Development** – Efforts that encourage innovation and entrepreneurial solutions to improve the quality of life Preference is given to undertakings that support Downtown and North Side revitalization, enhance neighborhood vitality, or encourage use of our parks and recreational opportunities.

Henry C. Frick Educational Fund
Grants are made from the Frick Fund with special concern for strengthening K-12 public school education Projects funded from the Frick Fund align well with the educational interests of the Buhl Foundation Grant procedures for the Frick Fund are the same as the Buhl Foundation.

William and Elizabeth Rodger McCreery Memorial Fund
The McCreery Fund, established by Emilie McCreery in 1955, provides support for musically talented students residing in the Pittsburgh region to further their musical education or to enhance young people's appreciation of music Application processes are the same as to the Buhl Foundation

FUNDING CONSIDERATIONS

A proposal should demonstrate the intersection of all or many of the following considerations which are important to the Buhl Foundation

- Leadership in education, economic and civic improvement, human services and youth development
- Unique, innovative, timely and creative solutions to meeting community needs
- Collaboration with community partners
- Outreach to diverse populations, especially those who are economically disadvantaged or at-risk
- Preventive solutions that are enduring

The greatest volume of Buhl grants, both in total dollars and in number of proposals funded, fall in the range of $2,500 to $25,000 Buhl's largest grants tend to focus on sustaining regional institutions that play a unique role in our community based on historic relationships with the Foundation and its mission

The Henry C Frick Educational Fund supports K-12 public school initiatives and the McCreery Fund focuses on programs that encourage musically gifted and interested students Grant requests to both follow the same mission, guidelines and procedures as the Buhl Foundation

GRANT PROCEDURES

A written letter of inquiry, not to exceed three pages, should be sent to the President, to be followed by a formal proposal meeting Buhl guidelines, if invited Electronic inquiries are not accepted.

Staff meets regularly to review letters of inquiry and either a phone call or a letter regarding the inquiry should be expected within 6 weeks, if not sooner If taken under consideration, an inquiry may be acted upon immediately followed by a request for a proposal or it may be allowed to percolate over time so as to evaluate its potential impact in relation to other funding options in the face of limited resources Staff will often meet with potential applicants to discuss feasibility and may work with prospective grantees to develop a proposal that appears to have potential for community impact consistent with Buhl's giving priorities Expression of interest in a proposal, or work with an applicant to assure best possible presentation, should not be construed as an indication of forthcoming grant approval

If a proposal is invited, staff will work with the applicant to establish a specific time frame for submission of the proposal and consideration by the Board.

Interviews or site visits may be carried out by arrangement with the staff

The Board of Directors of the Foundation usually meets six or seven times a year to act on grant proposals.

When a grant has been awarded, the grantee and Foundation agree upon a schedule for grant payments. A report on program achievements, including accounting for dollars spent, is required at the conclusion of the program

All letters of inquiry and proposals are reported to the Board of Directors.
