Part X Line 2 The System applies FASB ASC Topic 740, Accounting for Uncertainty in Income

Taxes. In applying the standard, the System must determine and assess any material

positions taken in any income tax return as of the date they adopted the standard of

December 15, 2009, including all significant uncertain positions, in all tax years that

are still subject to assessment or challenge by relevant taxing authorities. A benefit

related to an uncertain tax position will be sustained on its technical merits. Management

of the System believes that for all the years subject to audit by the relevant taxing

authorities, no material uncertain tax positions should be recognized in the financial

Part XIII Supplemental Information *(continued)*

statements. The System believes that it has appropriate support for the positions taken on
its tax returns. Nonetheless, the amounts ultimately paid, if any, upon resolution of the
issues raised by the taxing authorities may differ materially from the amounts accrued for
each year. With few exceptions, the System is no longer subject to U.S. federal, state or
local income tax examinations by tax authorities before 2010. Management believes its
non-profit status would be upheld upon examination.
