Identifier	Return Reference	Explanation
X	2	Partners earnings are subject to federal and state income taxes. Deferred tax assets and liabilities are determined based on the differences between the financial reporting and tax basis of assets and liabilities using the enacted tax rates and laws that will be in effect when the differences are expected to reverse. A valuation allowance is provided when it is determined that it is more likely than not that some portion of all of a deferred tax asset will not be realized.
X	2	Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by Sun Health and recognize a tax liability if uncertain positions are taken that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. Management has analyzed the tax positions of Sun Health and has concluded that as of June 30, 2013 and 2012, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the combined financial statements. Sun Health is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examination for years prior to June 30, 2010 for Sun Health Services, Sun Health Foundation and La Loma Senior Living and December 31, 2009 for Sun Health Partners, Grandview Terrace, Sun Health Colonnade and Sun Health Senior Living.
