management of conflicts of interests involving "covered persons " How ever, not all activities or transactions w ith a covered person generate conflicts of interest Conversely, a particular factual situation may generate a conflict of interest even w hen no covered person is involved Early consultation w ith a senior manager or Conservancy attorney can assist in analyzing the conflict of interest and strategies for avoidance or mitigation This SOP sets forth specific guidance for some areas of potential conflicts (see Types of Conflicts below) These are only examples, and it is the responsibility of each individual to be sensitive to any situation that creates or appears to create a conflict of interest Reporting, Review and Approval Process If a conflict is identified, the Conservancy staff member w ho is responsible for initiating and/or overseeing the proposed activity must report the conflict to his or her supervisor and the appropriate Conservancy attorney Before proceeding w ith the proposed activity, review and approval to proceed must be obtained as described in this section While a request for approval of a proposed course of action is pending or being considered, the individual involved in the conflict must refrain from participating in the activity and/or withdraw from any discussion of or decision on the matter 1 Conflicts Committee Review The Conflicts Committee reviews and makes determinations about all conflicts of interest involving the Conservancy All conflicts of interests review ed by the Conflicts Committee involving a Substantial Contributor shall be reported by the General Counsel or the Chief Compliance Officer to the Audit Committee of the Board of Directors, disclosing the nature of the conflict, parties involved, and the spirit of all applicable laws relevant to all parties to the transaction, Compliance w ith Conservancy Policies and Standard Operating Procedures, Adherence to the Conservancy's values, such as "Integrity Beyond Reproach," Avoidance of private benefit and inurement, Transparency, Conservation benefits likely to be achieved, Consequences to the Conservancy from declining to participate, Financial or other benefits to the Conservancy, Financial or other benefits to the other party, Nature and extent of risk to the Conservancy's reputation, and Ability to mitigate reputational risks 4 Forms Responsibility for Recommended Action Employees are required to complete and submit the Request for Conflicts Committee Approval form w hen seeking review and approval of a course of action involving an actual, potential, or perceived conflict of interest The completed form should recommend a course of action that is designed to minimize the conflict's potential adverse consequences The
