D13	Footnote for uncertain tax position under FIN 48 Part X	AF has adopted accounting principles related to accounting for uncertainty in income tax posititons. AF9s policy is to record a liability for any tax position taken that is beneficial to AF, including any related interest and penalties, when it is more than likely than not the position taken by management with respect to a transaction or class or transactions will be overturned by a taxing authority upon examination. Penalties and interest related to underpayment of income taxes are not recorded as income taxes but as penalties and interest expense. Managment believes there are no such positions for either the current year or prior years and, accordingly, no liability has been accrued.
